Slavery Race and Ideology in the United States of America

Slavery, Race and Ideology in the United States of America Race is not an element of human biology (like breathing oxygen or reproducing sexually); nor is it even an idea (like the speed of light or the value of) that can be plausibly imagined to live an eternal life of its own. Race is not an idea but an ideology.

Slavery The sociology of slavery Britannica

Slavery - Slavery - The sociology of slavery: The slave generally was an outsider. He ordinarily was of a different race, ethnicity, nationality, and religion from his owner. The general rule, as enunciated by the specialist on classical slavery Moses I. Finley, was that no society could withstand the tension inherent in enslaving its own members. In most cases, the slave was an outsider
